SERVING AMATEUR HOCKEY IN THE LOWER MAINLAND SINCE 1941

Memorandum

DATE: July 7, 2019
TO: PCAHA Presidents,
PCAHA-registered Female players born in 2005 and 2006
FROM: Drew MacDonald
Managing Director, Female Hockey
SUBJECT: Announcement of Female Zone Development Program Assistant Coaches

The PCAHA Female Hockey Committee is very proud to announce that Whitney Juszkiewicz and Debbie Beaudoin have been appointed as Assistant Coaches for the 2019-2020 Female Bantam Zone Development Program.

Whitney grew up playing hockey in Edmonton, Alberta. She played for the University of Saskatchewan Huskies on scholarship and for Team Alberta at the Senior Women's Esso Nationals (2005). Currently, Whitney works as the BC Hockey Female Program of Excellence Coordinator and the Coordinator for North Vancouver Hockey, Operations. She has a passion for developing young hockey players and created her own company: Fire and Ice Hockey Development. Whitney coaches Boys AA Hockey during the regular season, Girls in the spring, and trains athletes around the Lower Mainland and throughout BC year-round.

Born in White Rock, BC, Debbie has played 5 years of Professional Women's ice hockey with the Vancouver Griffins (NWHL), Durham Lightning (NWHL), Quebec Avalanche (NWHL) and BC Breakers (WWHL). She attended and played for the women's hockey programs at University of New Hampshire and Quinnipiac, both on full-ride scholarships. Debbie has extensive experience coaching at the local MHA-levels, Female Midget AAA, and with the BC Hockey High-Performance program. She has been involved in the Vancouver Canucks First Stride Program and has been a panellist for the NHL and NHLPA Conference on the support of growth in Women's Hockey. Debbie founded Beaudies House of Hockey, Skating, and Ringette through which she uses her extensive knowledge and experience to provide power skating, skills training, and development to players of all ages and calibre.

We are very excited to have Whitney and Debbie as part of our program and know they will provide excellent coaching, mentorship, and development for the girls.

Please see our website for program information and registration:
