Applications for coaching must include a criminal record check before an interview is scheduled. Note: criminal record checks need to be refreshed every 3 years.

As a member of PCAHA, BC Hockey and Hockey Canada, Tri Cities Female Hockey requires all team officials to have completed the Respect in Sport training, CATT training tool and have attained the division and tier appropriate coaching certifications as outlined by BC Hockey. Failure to comply with these regulations will result in suspension until compliance is satisfied.

A Head Coach in the Tri Cities Female Ice Hockey Association is ultimately responsible for the actions of the team and team officials. It is the responsibility of the head coach to ensure one member (parent or coach) of their team has a current Hockey Canada Safety Program certification.
