SERVING AMATEUR HOCKEY IN THE LOWER MAINLAND SINCE 1941

Memorandum

DATE: May 19, 2019
TO: PCAHA Presidents,
PCAHA-registered Female players born in 2005 and 2006
FROM: Drew MacDonald
PCAHA Managing Director, Female Hockey
SUBJECT: Announcing the 2019-2020 Female Zone Development Program

In response to the overwhelmingly positive feedback from the 2018-2019 program, the PCAHA Female Hockey Committee is proud to announce the renewal and expansion of the Female Bantam Development Program for the 2019-2020 season.

The program is designed to allow female Bantam-aged players the opportunity to receive high-performance instruction, development, and feedback prior to, and during the 2019-2020 season while still remaining on their club teams.

The program shall consist of the following components:

1. Development and Evaluation Weekend (*August 30th to September 1st*)
 - Open to all female players with 2005 and 2006 birth years who are registered with a PCAHA association for the 2019-2020 season
 - Individual skill development both on- and off-ice
 - Informational sessions on high-performance development
 - Feedback provided at the conclusion of the weekend
 - Registration opens May 21st, 2019
2. Elite Development Weekends
 - 4 weekends of high-performance supplemental development
 - On- and off-ice sessions
 - Focus on individual skills and tactics
3. Showcase Tournament
 - Elite Bantam AAA tournament
 - Highly scouted by college and university programs
 - Games against top female Bantam teams from Canada and the US

More information and online registration form are available on our website:
